Nonna's Easy Vegetable Soup

A cozy, easy family recipe | nonnajoyce.com

Ingredients

- 1 pound ground chicken (or ground beef)
- 1 (32 oz.) container vegetable broth
- 1 can sliced carrots (do not drain)
- 1 can green beans (do not drain)
- 1 can sweet corn (do not drain)
- 1 can chopped potatoes (drain)
- 1 can diced tomatoes
- 1 small can tomato sauce
- 2 tablespoons Worcestershire sauce
- ½ teaspoon paprika
- ½ teaspoon onion powder
- Salt, to taste

Directions

In a large pot, combine the vegetable broth, carrots, green beans, and sweet corn (do not drain), the drained potatoes, diced tomatoes, tomato sauce, Worcestershire sauce, paprika, and onion powder.

Brown the ground chicken in a skillet, crumbling it into small pieces. Season with salt, as chicken is bland.

Add the browned chicken to the soup and heat thoroughly.

Serve with warm, crusty bread. Enjoy!
